Higgs & Johnson's commitment to youth development continues and in this regard chose to support Mr. Katanga Johnson in January of this year when he requested sponsorship as a part of the Gentlemen's Club. The firm was delighted to learn that he won the coveted award of 'Gentlemen of the Year' beating out 37 other young men.

Katanga Johnson is a 2009 graduate of Kingsway Academy. He will be attending Morehouse College in the fall pursuing a degree in Accounting and Economics. Katanga notes 'I wish to become an entrepreneur and eventually a politician. My life-long dream is to become a world-renowned motivational public speaker. I am determined to succeed, possessed by perfection'.

Higgs & Johnson congratulates Kantanga on a job well done and wishes him much success in the future.
